ALL PERSONS USING THIS MANUAL ARE ADVISED:

1. This manual has been adopted for the purpose of establishing general guidelines for architectural approvals and every day rules for the community and does not supersede or replace the Association's governing documents or local, state or federal laws, codes, ordinances, rules or regulations.

2. This manual is subject to amendment from time to time. Also, because of changing circumstances and technologies, matters prohibited or approved in the past may not necessarily be prohibited or approved in the future.

3. While this manual is intended to establish consistency of appearance within the community, it should be remembered that because of factors such as location, neighborhood characteristics and proximity to common areas, lakes, preserves, roads and the like, various properties may be treated differently in order to reflect such factors.

4. As stated in the Association’s governing documents, no approval hereunder shall constitute a warranty or approval as to, and neither the Association nor any member or representative thereof shall be liable for, the safety, soundness, workmanship, materials or usefulness for any purpose of any improvement or alteration nor as to its compliance with governmental or industry codes or standards.

December 2016
Section 10  Air Conditioners
A. Window A/C units are not permitted.
B. Landscape material must be around the A/C equipment to shield from view.

Section 20  Antennas and Satellite Dishes - Requires ARC approval
A. Exterior antennas used for AM/FM radio, amateur ("Ham") radio, CB radio, Digital Audio Radio Services ("DARS"), or antennas used as part of a hub to relay signals among multiple locations are not permitted.
B. Satellite dishes with a diameter of 36 inches or less may be installed subject to the following:
1. Dish must be installed at least 8 feet above the finished floor of the home.
2. The preferred location for dishes is on the rear wall of the home or on a sidewalk within 6 feet from the rear of the home.
3. Cables required for installation, which are exposed on outside walls and more than 3 feet in length, shall be painted to match the existing building color.
4. Dishes may not be installed in common areas.
5. Installation of more than one dish will be considered in the circumstance that a single dish is insufficient to provide an acceptable signal. In such situations, a letter from the satellite service provider must be presented for review to ARC with the homeowner’s request.

Section 30  Awnings - Requires ARC approval
A. Only retracted roll-out awnings encaised on rear of home are permitted.
B. You must submit an architectural application, with a survey showing location and sample of fabric, to ARC for approval prior to installation. Colors must be consistent with the color scheme of the houses in the community.
C. Periodic cleaning and eventual replacement by owner is at the discretion of the Board of Directors.

Section 40  Basketball Hoops - Permanent basketball assembly requires ARC approval
A. Shall be professionally manufactured basketball backboards installed on black poles with white or clear backboard. No roof or roof-mounted backboards are permitted.
B. Portable basketball assemblies are permitted in driveways but must be kept in good aesthetic condition. Assemblies are to be kept in place as designed with water or sand in the base and at no time should they be weighed down by placing sand or concrete bags, weights, bicycles or other object on the base to keep in place.
C. Shall not cause a nuisance.
D. Shall not be located in the end of the driveway or allowing play from the roads. The basketball goal must be a minimum of 10 feet from the road/pavement.

Section 50  Watercraft
A. The only place a boat, canoe, kayak or other watercraft may be kept within the community is within the garage of the unit owner. The garage door must be able to close completely so that the boat, canoe or kayak is not visible from the street. Boats, canoes or kayaks parked in the street, clubhouse, pool parking lot, vacant lot, or any other unauthorized area will be towed at the owner’s expense.
B. Boats, canoes, kayaks and other watercraft are not permitted on the lakes.
C. Boat houses or docks are not permitted.

Section 60  Clothes Drying
A. No garments, rugs, or any other materials may be hung, exposed, or dusted from the windows or from the front façade of any home.

Section 70  Driveways & Walkways
A. Surfaces must be consistent with original materials and colors.
B. Walkways from the driveway to front door; front and rear patios and porches may be considered for resurfacing (tile, pavers, etc.,)
C. Driveways should remain free from oil, gas and other stains. Periodic cleaning may be required at the discretion of the Board of Directors.

Section 80  Exterior House Light - Requires ARC approval
A. All additional light fixtures require architectural approval. Along with your architectural application submit a picture of the fixture and a copy of your survey, showing the location, to ARC for approval prior to installation.
Section 90  **Fences - Requires ARC approval**

You must submit an architectural application with a survey showing the fence location for approval prior to installation. Municipal permits are responsibility of homeowner. At least one gate shall be a minimum of 54" wide.
